

# ZONE FITNESS

## Golf Simulator Now Available

- Sixteen, precisely-tuned, high-speed infrared sensors track your club before, during, and after impact to give you precise and instantaneous feedback on every shot, including: swing speed, swing path, face angle, and point of contact.
- 80 Sq Ft projector impact screen shows path of ball as soon as it leaves the club face.
- Play a round at 45 different, world-renowned courses, or keep your game sharp on the simulated driving range.

Half Hour - \$20  
Hour - \$30

For more info or to book a tee time, call Zone Fitness at (978) 221-2212.
